

# Atlanta Youth Academy

---

January 2020

Dear Applicant Family:

Thank you for your interest in our school. We hope that you will find here, with the Atlanta Youth Academy family, a place for your child/children.

Atlanta Youth Academy exists to advance the kingdom of God by offering an excellent Christ-centered education to underserved, urban communities. We welcome families who will partner with us to fulfill our mission. We hope to be a transforming agent in the lives of our students and their families.

As you work through the application, please complete all required information and turn in all documents to ensure that the process moves forward in a timely manner. The first part of the process requires Admissions Documents only. Once a student has been accepted, the Enrollment Documents will then become due.
